## Tenure Clock Extension Request - Coronavirus Pandemic

The University of Nebraska-Lincoln recognizes that coronavirus (COVID-19) pandemic has created circumstances that may temporarily have a negative impact on the ability of pre-tenure faculty to make progress toward tenure. Any tenure-track faculty member who was employed by the university as such for any portion of the period January 1, 2020 – June 30, 2021 and who has not been given notice of non-reappointment may request an extension of their tenure clock by submitting this form to the appropriate vice chancellor’s office. Those employed by the university in tenure-track positions during the spring 2020 semester may request an extension of up to two years; all other eligible faculty may request a one-year extension.
